# ABOUT US:

Crystal Plast Industries is a trusted global manufacturer and supplier of PET packaging solutions specializing in manufacturing PET Preforms, Bottles, Jars, and Caps & Closures.

We develop an entire range of cutting edge packaging solutions using premium quality raw materials and the latest technology for the industries where packaging is required.

With the experience of more than 15 years in the industry, Crystal Plast Industries can proudly say, **YES, WE CAN DO IT.**

## MISSION:

Crystal Plast Industries wants to direct towards continuous efficiency, effectiveness, and improvement in manufacturing a complete range of PET products and supplying them globally at reasonable prices.

## VISION:

We strive to establish our name as a top manufacturer and supplier of PET products, enthusiastic about shaping the future of the packaging industry with modern solutions.

## VALUES:

**Strength:** We are flexible to implement and coordinate in case of unique product demands.

**Expertise:** We understand the market and its constantly changing requirements.

**Dedication:** We aspire to create effortless and uncomplicated product packaging for end users.

**Trust:** We are known for commitment, reliability, and honesty towards our fellow employees and clients.

# WHY CHOOSE US?

1

## UNMATCHABLE QUALITY:

We specialize in producing premium quality PET preforms, containers, and closures while supervising the quality control standards throughout the process.

2

## CUSTOMIZATION:

Your ideas, our execution! We always pay attention to your desired pet packaging and make sure it meets your requirements. Starting from creative ideas to 3D printed physical models, we shape the final product with remarkable quality.

3

## STATE OF THE ART MACHINERY:

At every step, our robust machines give the highest level of productivity. We use methods like injection moulding, stretch blowing, and extrusion moulding that enable massive production under a single roof.

4

## INNOVATION & TECHNOLOGY:

Crystal Plast Industries has the expertise and capability to develop a new product in a short period. We offer CAD/CAM assistance and provide 2D/3D models that can be altered according to the client's requirements.

5

## COMPETITIVE PRICING:

We have been in the PET packaging manufacturing industry for over 15 years and fulfilling the needs of our clients by delivering cost-effective quality products consistently.

6

## EFFICIENT DELIVERY:

We use quality packaging material to ensure product safety in transit and delivery. Our existing clients appreciate the cost-effectiveness, sound state, and well-timed deliveries of all the products.
